

## **MID/SENIOR VFX COMPOSITOR**

At FYM – Free Your Mind we are looking for Nuke Compositing Artists (Senior and Mid) to join our team in Las Palmas de Gran Canaria (if you're located in any of the Canary Islands, we can see the options to work remotely) and Madrid.

As Nuke compositor, you will work closely with the VFX Supervisors and VFX Producers in achieving the highest creative and technical standards of work.

### **Description:**

- Responsible for creating high-quality digital composites and visual effects for feature films and television.
- Working closely with VFX Supervisors and Producers
- Seamlessly integrate the various layers or elements of a live-action shot.
- Ability to tackle shots from start to finish, including roto, tracking (both 2D and 3D), paint, animation and creation of elements, etc.
- Ability to work on the most complex and demanding shots.
- Strong attention to detail, sense of color, color space and lighting.
- Proficient in using 2.5d approaches, projections and using 3D environment within Nuke.
- Work in partnership with lighters and other compositors to ensure shots are delivered to the very highest standard.
- Mentor and advise junior compositors and ensure best practices are being employed.
- Communicate progress of work to the Coordinator and Producer in a timely fashion and present work clearly in Dailies.

### **Requirements:**

- Located (or willing to move) in the Canary Islands or located in Madrid (Location in the Island will have priority)
- Minimum 5 years (mid) or 8 years (Senior) of experience in feature film/tv.
- Mastery of Nuke.
- Expert knowledge of compositing as well as integration of 3D elements into plates.
- Experience using multi-pass CG elements.
- Strong artistic skills and meticulous attention to detail.
- A traditional arts background with emphasis on photo-realistic aesthetics and environments an asset.

- Developer/scriptwriting skills are considered a plus.
- Experience working with Shotgun software preferred.
- A solid reel showing a wide range of shots and a creative eye.
- Eligible to work in Spain
